MAYOR BRYAN CALVO SIGNS EXECUTIVE ORDER CREATING CONDOMINIUM AND HOA ADVISORY TASK FORCE (CHAT)

HIALEAH, FL - Today, Mayor Bryan Calvo signed **Executive Order No. 2026-07**, formally creating the Mayor's Condominium and Homeowners Association Advisory Task Force (CHAT).

With a significant portion of Hialeah's population residing in managed communities, Mayor Calvo emphasized that residents deserve direct access to resources and a government that actively listens to their concerns about governance, maintenance, and safety.

"We are beginning a new chapter for Hialeah. Our residents' voices will be heard," said Mayor Bryan Calvo. "This task force reflects our commitment to action and to ensuring that every condominium and HOA community has the full support of its city government." The newly formed CHAT will serve as a liaison between residents and the city. Its responsibilities include:

- **Comprehensive Review:** Evaluating resident concerns related to association governance, safety compliance, and financial transparency.
- **Expert Collaboration:** Working with city departments, legal professionals, and community advocates to identify practical solutions.
- **Accountability:** Providing quarterly reports with findings and policy recommendations.

About the City of Hialeah

The City of Hialeah, incorporated in 1925, is the sixth largest municipality in Florida, serving over 233,000 residents living in approximately 20-square miles. Hialeah, located in NW Miami-Dade County, has a Hispanic population of over 94%. A working class community, Hialeah is viewed as an industrial city that continues to grow. "The City of Progress" as known to many, is home to many Cuban exiles. The City of Hialeah is a full service city offering quality and affordable services to residents of all ages and abilities. Hialeah is a vibrant, family-oriented community marked by cultural heritage and traditions known for its myriad of mom and pop stores which productively compete against national retail and restaurant chains and franchises.
